1. What information we collect
2. Usage of your information
3. Storage and sharing of your information
4. Your responsibility and actions about your information
5. Children's privacy
6. Changes to our privacy policy

1. WHAT INFORMATION WE COLLECT

We collect the following types of information:

1.1. Information you provide us directly:

- Your Facebook (or other social media network) account information, first and last name, image, e-mail you provide us for the purposes of registration, finding friends and sharing with them information about Z9 Project.
- Photos of your personal vehicles license plates for the purposes of the game process. In accordance with applicable legislation the license plates may be deemed as personal data, and in this regard you hereby consent, that your personal vehicles license plates may be used by Z9 Project and (or) other users (and this type of personal data may be processed) for the purposes of the game process, including after your termination of such license plates use in the game process, as well as after Your termination of the Services use.
- You can at any time withdraw your consent on use of your personal vehicles license plates (and this type of personal data processing) by contacting us at support@z9-project.com. In such case the photo of your personal vehicles license plates will be deleted from the Service within 30 days from the date of receipt of Your letter by Z9 Project.
- Photos of the license plates of the third parties vehicles for the purposes of the game process. Hereby You represent and warrant that (1) in accordance with applicable legislation license plates of

vehicles, which are provided to Z9 Project by You, are not deemed to be personal data, or (2) notwithstanding that in accordance with applicable legislation license plates of vehicles are deemed to be personal data, You have obtained the appropriate consent of the personal data subject on processing and transfer of his personal data in accordance with this Policy (the consent should be in the form and in compliance with procedure, required by applicable legislation), and taking photo and further use of such license plate photo will not contravene the applicable legislation. You hereby undertake to notify Z9 Project immediately if such personal data subject withdraws his consent.

- You hereby represent and warrant that You did not made any photos of vehicle license plates, where such taking photos is prohibited (e.g. private areas military objects).
- Z9 Project hereby disclaims any liability regarding privacy infringement of the third parties.
- Communications between you and Z9 Project, including but not limited by Services-related emails (e.g., account verification, changes/updates to features of the Services, technical and security notices).

1.2. Finding your friends in Z9 Project, Sharing your Z9 Project achievements, Inviting friends to Z9 Project:

- You can use “Find friends” feature to locate other people with Z9 Project accounts through third-party social media sites or through a search of names and usernames on Z9 Project. If you choose to find your friends through a third-party social media site, then you will be prompted to set up a link to the third-party service and you understand that any information that such service may provide to us will be governed by this Privacy Policy. If you choose to find your friends through a search of names or usernames on Z9 Project then simply type a name to search and we will perform a search on our Services.
- You can use “Share information” feature to tell your friends in third-party social media site about your achievements in Z9 Project. If you choose to share any game information, you will also be prompted to set up a link to the third-party service and you understand that any information that such service may provide to us will be governed by this Privacy Policy.
- You can use “Recruit agents” feature to invite someone to Z9 Project. If you want to invite someone to Z9 Project, you may select a person and send an email from your personal account or a message through a third-party social media site. You understand and agree that you are responsible for any charges that apply to communications sent from your device, and because this invitation is coming directly from your personal account, Z9 Project does not have access to or control this communication.

1.3. Location Data:

- Z9 Project do not collect and do not process your location data.

1.4. Analytics information:

- We use your information to perform our analytics and to enable analytics provided by third parties. We use analytical information for supporting business analysis and operations, business intelligence, product development, improving products and services, personalizing content, providing advertising, and making recommendations. We collect and use this analytics information with analytics information from other Users.

1.5. Cookies and similar technologies:

- When you visit the Services, we may use cookies and similar technologies like pixels, web beacons, and local storage to collect information about how you use Z9 Project and provide features to you.
- We may ask advertisers or other partners to serve ads or services to your devices, which may use cookies or similar technologies placed by us or the third party.

1.6. Log file information:

- Log file information is automatically reported by your browser each time you make a request to access (i.e., visit) a web page or app. It can also be provided when the content of the webpage or app is downloaded to your browser or device.
- When you use our Services, our servers automatically record certain log file information, including your web request, Internet Protocol (“IP”) address, browser type, referring / exit pages and URLs, number of clicks and how you interact with links on the Services, domain names, landing pages, pages viewed, and other such information. We may also collect similar information from emails sent to our Users which then help us track which emails are opened and which links are clicked by recipients. The information allows for more accurate reporting and improvement of the Services.

1.7. Device identifiers:

- When you use a mobile device like a tablet or phone to access our Services, we may access, collect, monitor, store on your device, and/or remotely store one or more “device identifiers”. Device identifiers are small data files or similar data structures stored on or associated with your mobile device, which uniquely identify your mobile device. A device identifier may be data stored in connection with the device hardware, data stored in connection with the device’s operating system or other software, or data sent to the device by Z9 Project.
- A device identifier may deliver information to us or to a third party partner about how you browse and use the Services and may help us or others provide reports or personalized content and ads. Some features of the Services may not function properly if use or availability of device identifiers is impaired or disabled.

2. USAGE OF YOUR INFORMATION

2.1. In addition to some of the specific uses of information we describe in this Privacy Policy, we may use information that we receive to:

- Help you efficiently access your account after you sign in;
- Remember information so you will not have to re-enter it during your visit or the next time you visit the Services;
- Provide personalized content and information to you and others, which could include game process matters, online ads or other forms of marketing;

- Provide, improve, test, and monitor the effectiveness of our Services;
- Develop and test new products and features;
- Monitor metrics such as total number of visitors, traffic, and demographic patterns;
- Diagnose or fix technology problems.

3. STORAGE AND SHARING OF YOUR INFORMATION

3.1. We may store and processed your information collected through the Services in the United States or any other country in which Z9 Project maintain facilities.

3.2. We may transfer information that we collect about you, including personal information across borders and from your country or jurisdiction to other countries or jurisdictions around the world. Please note that we may transfer information, including personal information, to a country and jurisdiction that does not have the same data protection laws as your jurisdiction.

3.3. We may share your information to our affiliates and partners worldwide in accordance with applicable legislation and this Privacy Policy for the following purposes: (1) provision, analysis and improvement of the Services, (2) delivering targeted advertisements by our partners that they believe will be of most interest to you (3) We will share Your information with state authorities in accordance to the applicable legislation.

3.4. We may use third parties to collect, store and process personal data on Z9 Project's behalf and in according to our instructions. Z9 Project is not liable for the acts and omissions of these third parties, except as provided by mandatory law.

3.5. We use generally accepted industry standards and maintains reasonable safeguards to attempt to ensure the security, integrity and privacy of the information in Z9 Project's possession.

3.6. Following termination or deactivation of your account, Z9 Project, its affiliates, or partners may retain information (including your profile information) and User content for a commercially reasonable time for back-up, archival, and/or audit purposes.

4. YOUR RESPONSIBILITY AND ACTIONS ABOUT YOUR INFORMATION

4.1. You hereby give Z9 Project consent on processing, storage and cross-border transfer of information indicated in Section 1 hereof (including your personal data) for the purposes and by means, indicated in this Policy.

You hereby confirm that information provided by You for your user profile and during use of the Service is accurate and all provided by You personal data (including username, e-mail address, first and last name, picture, Facebook or other social media network account, personal vehicles license plates (if applicable)) is

Your personal data and such personal data provision do not violate third parties publicity, confidentiality, or privacy rights.

Hereby You agree to defend, indemnify and hold the Z9 Project harmless from and against any claims, liabilities, damages, losses, and expenses, including without limitation, reasonable attorney's fees and costs, arising out of or in any way connected with holding Z9 Project or any of its officers liable for violation of the third parties publicity, confidentiality, or privacy rights due to providing by You to Z9 Project such third parties personal data.

4.2. You may be able to update your account at any time by logging in and changing your profile settings.

4.3. You can unsubscribe from email communications from us by clicking on the "unsubscribe link" provided in such communications Note that you may not opt out of Services-related e-mails (e.g., account verification, purchase and billing confirmations and reminders, changes/updates to features of the Service, technical and security notices).

4.4. You are responsible for maintaining the secrecy of your unique password and account information, and for controlling access to emails between you and Z9 Project, at all times. Your privacy settings may also be affected by changes the social media services you connect to Z9 Project make to their services. We are not responsible for the functionality, privacy, or security measures of any other organization.

4.5. If yours information changes, or if you no longer desire our service, you may correct, update, delete inaccuracies, request deletion or further contact with your child by updating your account information or by contacting us at support@z9-project.com. We will respond to your access request within 30 days.

4.6. We will retain yours information for as long as yours account is active or as needed to provide services. If you wish to cancel your account or request that we no longer use the information to provide services, contact us at the email address listed above. We will retain and use the information as necessary to comply with our legal obligations, resolve disputes and enforce our agreements.

4.7. The Content provided within the Z9 Project Services is not intended for distribution to or use by any person or entity in any jurisdiction or country where such distribution or use would be contrary to law or regulation or which would subject Z9 Project to any registration requirement within such jurisdiction or country. We reserve the right to limit the availability of the Service or any portion of the Service, to any person, geographic area, or jurisdiction, at any time and in our sole discretion, and to limit the quantities of any content, program, product, service or other feature that Z9 Project provides.

5. CHILDREN'S PRIVACY

5.1. Z9 Project does not knowingly collect personal information from children under 16 years of age. If we learns that Z9 Project has inadvertently gathered personal data from children under 16 years of age, we will take reasonable measures to promptly delete such personal data from Z9 Project's records.

6. CHANGES TO OUR PRIVACY POLICY

6.1. Z9 Project may modify or update this Privacy Policy from time to time, so please review it periodically.

We may provide you additional forms of notice of modifications or updates as appropriate under the circumstances. Your continued use of Z9 Project or the Services after any modification to this Privacy Policy will constitute your acceptance of such modification.
